

**LIMES CLASS Newsletter -  
September 2019**

This term our topic is 'BRILLIANT BODIES' and our weekly lessons will include:

**Snack/Cookery/Tactile** - Snack money is £2 per week. This helps us to cover the cost of snack food, cooking ingredients and tactile materials and enables these valuable sessions to continue. You can either send money in weekly or termly.

**Cookery** - will take place on a Thursday (tactile experiences with food also happen on a regular basis in Limes Class)

**RE** - This term we will explore and experience 'How does our community care for others?' and look at our own school community and that of the wider community.

**English** - In our English sessions this term we will be reading and working with stories with familiar settings, captions, instructions and towards the end of the term traditional nursery rhymes, action or pattern rhymes.

We will continue to practise our phonics, naming letters, saying the sound and exploring how to form the letter.

**Maths** - We shall start the term developing our skills in number, addition/subtraction and length mass and capacity. Then in the latter part of the term, data/sorting, properties of shape and multiplication, division and fractions.

**Science** - We shall be looking at growing and moving through 'Animals and Humans' exploring how nutrients are distributed, skeletons and muscles the digestive system and types of teeth.

**Computing** - Word processing and e-awareness and Digital Imagery.

**PSHE** - We will be considering healthy eating and think about healthy options and choices and our health and wellbeing where we can share feelings and emotions.

**PE** - In PE we working on skills that involve invasion games including basketball, we will think about keeping fit and healthy through activity and sport.

Many thanks from The Limes Class Team, Class Teachers Donna (Mon and Wed), Emma (Tue, Thur & Fri), and Support Staff Olga, Sam and Heidi
