

    
My Covid Nose Test

     
I am going to have a Covid Test

    
I will need to:

**1**      
1 gel my hands

**2**   
2 blow my nose

**3**         
3 An adult will swab up both sides of my nose

**?**    
Being tested for Covid is a safe choice.
