

English

As part of our English curriculum this term we will be focusing on stories from a range of cultures/ predictable and patterned language. Next we will focus on myths and legends and then finally captions and labels and lists.

We will continue to focus and consolidate our phonics knowledge through exploring letter sounds and beginning to blend sounds together to create CVC words.

We will also be sharing a new story each week as a class.

Topic

As part of Topic we will be exploring 'Our Senses'. Each week we will explore a different sense, starting the term with touch and finishing with taste.

We will be engaging a range of different expressive art and design activities, for example painting with elastic bands, exploring colour mixing, playing with the smelly potions station and painting with our feet.

We will also participate in weekly cooking sessions, making a range of foods using spices and flavourings.

Apricots Termly Overview

Apricots class have settled well into new routines during the first few weeks of school. We have enjoyed our mini-topic of 'getting to know you', where we focused on learning about one another and making friends.

If you have any questions or concerns at any time, please do communicate via the home-school books.

We're all very excited for a fantastic first term in Apricots class.

Best Wishes,
Apricots Staff.

Maths

During this term we will be focusing on Number and Place Value, Addition and Subtraction, Measure and Geometry.

In number we will be exploring number rhymes, using the term 'one' and 'lots' and counting object, some of us up to 20!

In subtraction we will be counting small amounts, answering simple mathematical questions and counting back from 10.

In Geometry we will be exploring movement of objects.

RE

Our focus for Religious Education this term is 'What makes me special? What makes other people special?' We will be exploring ourselves and our community.

PE

Our focus during Physical Education this term is 'To me, To you', developing skills in sending and retrieving, with an emphasis on ball handling.
