ROWAN GATE PRIMARY SCHOOL

SCHOOL ATTENDANCE POLICY

Rowan Gate Primary School offers an environment in which pupils and their parent/carers feel valued and welcomed. A varied and flexible curriculum is offered to all pupils and learning tasks are matched to pupils' needs. We endeavour to nurture and empower all our pupils.

The ethos of Rowan Gate Primary School is that pupils should feel that their presence is important and that they will be missed when they are absent or late. We endeavour to welcome every pupil, by name, every day. The school's aim is to encourage every pupil to achieve high levels of attendance and excellent punctuality.

Parents have a legal duty to ensure that their children of compulsory school age who are registered at school attend regularly.

Parents/carers are requested that they notify the school in the morning of the first day of absence, giving the reason and, if possible, stating if known, the duration of absence.

Absences are dealt with on the first day of absence, and in the first instance, by direct contact with parent/carers. Following consultation with the Pastoral Assistant Head, a telephone call is made by the school's administrators to the parent/carers of those pupils with unexplained absences.

Attendance is recorded on SIMS twice a day, % attendance/absence information can then be generated.

Parents of pupils whose attendance causes a concern will be contacted and attendance will be discussed.

The Head Teacher reports annually to the Governing Body on attendance matters.

Under Section 444 of the 1996 Education Act, a pupil is required to attend regularly at the school where they are a registered pupil. Rowan Gate Primary School is obliged by law to differentiate between authorised and unauthorised absences. A letter or telephone call does not in itself authorise an absence.

An absence may be authorised if:

- A pupil is ill or 'prevented' from attending by an unavoidable cause or emergency situation.

- The absence occurred on a day set aside for religious observance by the religious body to which a pupil's parents belong.
- A pupil is absent with leave (granted by the Head Teacher or Governing Body).
- A pupil's transport fails to arrive.
- A family bereavement.
- An exclusion.
- A pupil is involved in an exceptional special occasion.
- Medical appointment.

An absence will be unauthorised if:

- No explanation is forthcoming.
- Shopping trips.
- Birthdays.
- Family Holidays

Holidays

In line with amendments to The Education (Pupil Registration) (England) Regulations 2006, Rowan Gate Primary School will not authorise any term time holiday. In exceptional circumstances, holiday authorisation may be granted at the Head Teacher's discretion.

Non-Authorised holidays will be recorded as unauthorised absence.

Procedures for following up absences and lateness

If a pupil is absent without an explanation being received, the school, where possible, will contact the parent/carer on the first day of absence.

If the absentee is a pupil with whom there are already concerns, or who is considered vulnerable due to their special needs, the school will make every effort to contact the parent/carer immediately. This will be recorded on CPOMS and as an email to the SLT for each site.

If a pupil is persistently absent or late the school will notify the parent in writing.

When a pupil returns without communication from the parent the school will request an explanation for the absence and this will be recorded on SIMS and CPOMS.

If a pupil is persistently absent or late and the school's efforts to improve the situation have been unsuccessful, the pastoral Assistant Head will consult with the Education Inclusion & Partnership Service for further support with the potential that the EIP will then contact parent/carers.

Pupils arriving late in school are to report to the School Office where the time of their arrival will be noted, the reason for lateness and the pupil signed in. Pupils leaving early should be signed out by their parent giving the reason for leaving school early. Incidents of arriving late and leaving early will be monitored by the Head Teacher/ pastoral Assistant Head.

This is intended to enable members of staff to establish:

- a) If a pupil is absent.
- b) What method of communication has been made with parents of absent pupils.
- c) The time of arrival of a pupil who is late for registration.

Communications from parent/carers received by the class teacher will be initialled, dated and delivered to the School office.

This Policy will be reviewed bi-annually; or sooner subject to new guidance.
