<p>Our school's policies for identifying children and young people with SEN and assessing their needs</p>	<p>All children at Rowan Gate Primary School have an EHCP (Education, Health & Care Plan) identifying their special educational needs, aspirations, strengths and needs, provision and arrangements.</p> <p>Home visits are carried out prior to admission by the assigned class teacher and a member of the Family Liaison Team or the Assistant Head with responsibility for EYFS. Pupils are placed in a class group with peers of similar ability.</p> <p>All pupils have an Annual Review Meetings where their progress against the outcomes of their EHC (Education, Health & Care) Plan is assessed and new outcomes agreed where appropriate. Individual targets are also considered and agreed for the IEP. IEP targets are linked to the outcomes of the EHC. Parents and supporting colleagues are invited to attend.</p>
<p>Our arrangements for consulting parents of children with SEN and involving them in their child's education</p>	<p>Section A of the EHCP is considered at Annual Review Meetings. Parents are asked for up to date comments prior to the review and these are considered in the meeting.</p> <p>The school holds two parent open evenings during the school year in order for parents to review progress and be able to comment or ask about their child's progress. Parents have the option to request a virtual meeting following receipt of the termly report.</p> <p>Governors of the school annually ask parents to complete a questionnaire about their thoughts on the school leadership, their child's happiness, progress and behaviour. This informs them of parent's views of the school so that they can work with the Leadership Team on any areas necessary for development and improvement.</p>
<p>Our arrangements for consulting young people with SEN and involving them in their education.</p>	<p>Pupils at the school contribute to their Annual Reviews by completing a "Pupil Views" form which is considered at the meeting. This may be completed independently or with support.</p> <p>The School Council offers the pupils a voice and gives them opportunity to freely express their views and opinions. Due to the Covid-19 Pandemic these meetings were put on hold. The Schools Council will re-start in September 2022.</p>

Children of Nursery and Reception age work within the Early Years Foundation Stage Framework.</p> <p>At Rowan Gate we have a variety of curriculum routes for our children in order that all abilities and needs are accommodated:</p> <ul style="list-style-type: none"> . EYFS (Early Years Foundation Stage): children follow a thematic curriculum through which they access the 7 key areas of learning. . KS1 (Key Stage 1) : children follow a semi-formal thematic curriculum, with English and Maths introduced as discrete subjects.

- . KS2 (Key Stage 2): children follow a semi-formal thematic curriculum, with English, Maths and Science taught as discrete subjects.
- . UKS2 (Upper Key Stage 2): some children follow a formal curriculum in which all subjects are taught discretely.

Thematic-linked together learning through vibrant and engaging termly topics.

Relevant-adapted to the needs of each unique individual pupil.

Aspirational-encouraging all pupils to achieve their true potential.

Learning-based on pedagogical reconciliation and innovation.

As our pupils travel through our school we endeavour to equip them with the skills they need for life, providing them with an engaging, creative and flexible curriculum that accommodates their ever-changing needs.
